### Provider Description

#### Information provided by the provider describing their agency:

I have been a behaviorist for Seacorp (now The ARC of New London County) for more than 20 years. Occasionally, I have consulted for other agencies, but since I reside in Massachusetts now, I prefer to work with agencies with whom I already have a relationship. My training is as a PH.D. clinical psychologist, so my areas of strength are those dual diagnosis clients whose mental health issues are played out in their behavioral presentation.
